

Getting Started:

- System Administrator(s) to login to BizChannel@CIMB (only applicable to BizChannel@CIMB Customised Package customers).
- Note: Fields marked with asterisk (*) in the sections below are mandatory fields.

Section 1: New DuitNow ID Registration

For first time user, register your Business Registration Number (BRN) as DuitNow ID and select your company's CIMB account to be linked to your DuitNow ID.

- Click 'Utilities' > select 'DuitNow ID Maintenance'.
- Click 'Add' to register new DuitNow ID.

- Enter your Business Registration Number without any special characters e.g. hyphen (-) or space.
- Click on magnifier icon to select the Receiving Account.
- Check the terms and conditions box and click 'Confirm' to continue.

- Click 'Submit' & 'OK'.

Result Message: This transaction is pending for approval.

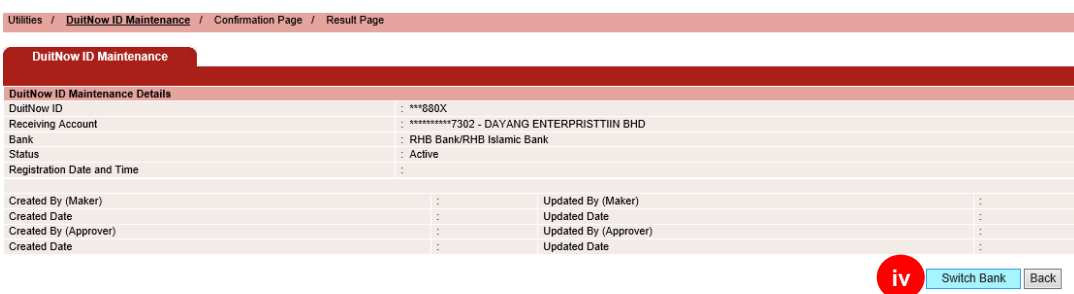

Please refer to Section 4 for next steps on Approval.

Section 2: DuitNow ID Maintenance - Switch Bank to CIMB

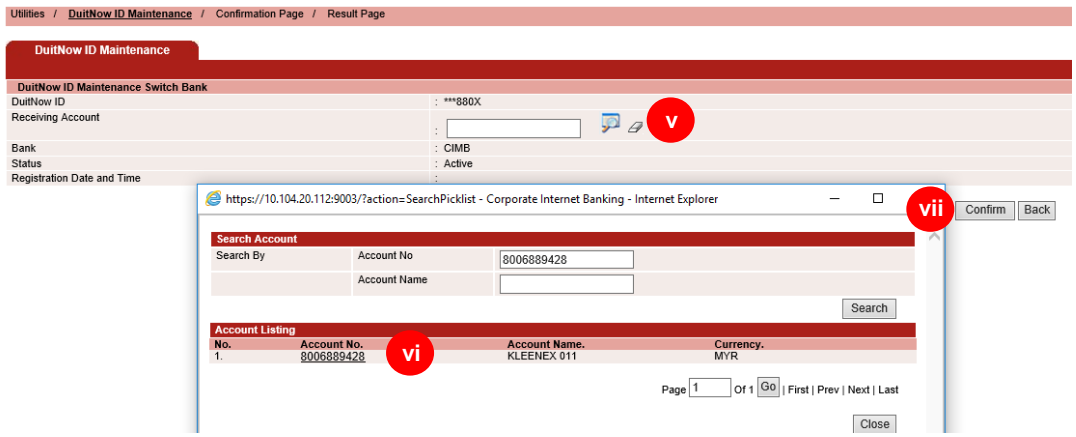

You have an existing DuitNow ID with other bank and would like to link your CIMB account to the DuitNow ID.

- Click 'Utilities' > select 'DuitNow ID Maintenance'.
- Enter your registered DuitNow ID (Business Registration Number) without any special characters e.g. hyphen (-) or space and click 'Search'.
- Click on the record displayed.

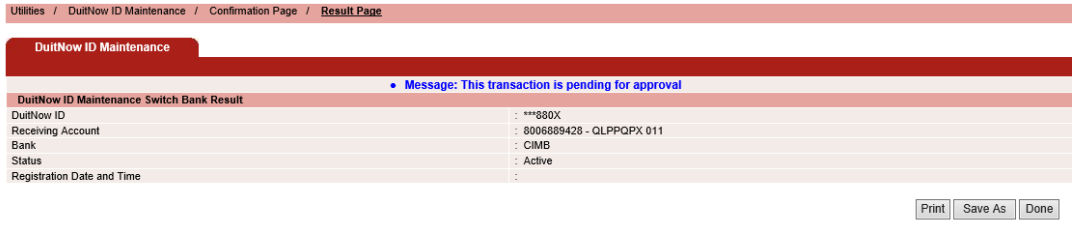

- Click 'Switch Bank' to proceed.

- v) Click on magnifier icon to select the Receiving Account.
- vi) Select the 'Account No' displayed
- vii) Click 'Confirm' to proceed.

- viii) Click 'Submit'.
- Result Message: This transaction is pending for approval.
- Please refer to Section 4 for next steps on Approval.

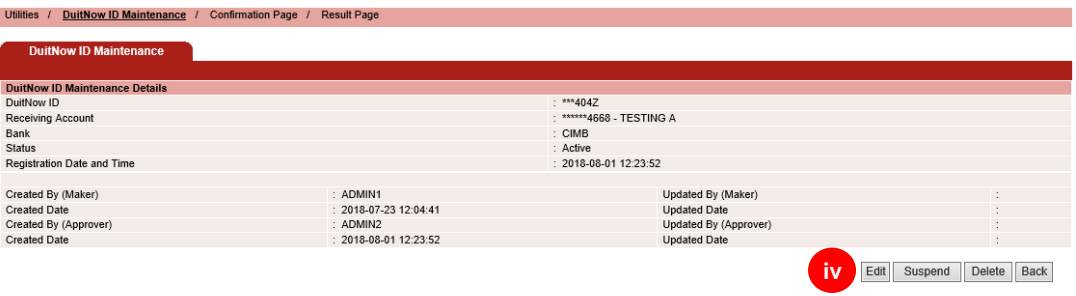

Section 3: DuitNow ID Maintenance - Others

You have an existing registered DuitNow ID with CIMB and would like to perform DuitNow ID maintenance such as edit (change to other CIMB account), suspend, delete or re-activate your existing DuitNow ID.

- i) Click 'Utilities' >select 'DuitNow ID Maintenance'.
- ii) Enter your registered DuitNow ID (Business Registration Number) without any special characters e.g. hyphen (-) or space and click 'Search'.
- iii) Click on the record displayed.

- iv) Click on the respective button to proceed.
- Follow onscreen instructions. Upon submission of request, refer to Section 4 on the next steps for Approval.

Section 4: Approval

Approval of any requests will need to be performed by another system administrator who did not submit the request.
